THE KERALA FOREST (AMENDMENT) BILL, 1974

A

BILL

further to amend the Kerala Forest Act, 1961.

Preamble.—WHEREAS it is expedient further to amend the Kerala Forest Act, 1961, for the purposes hereinafter appearing;

BE it enacted in the Twenty-fifth Year of the Republic of India as follows:—

1. *Short title.*—This Act may be called the Kerala Forest (Amendment) Act, 1974.

2. *Amendment of section 2.*—In the Kerala Forest Act, 1961 (4 of 1962) (hereinafter referred to as the principal Act), for clause (f) of section 2, the following clause shall be substituted, namely:—

"(f) "forest produce" includes—

(i) the following whether found in, or brought from, a forest or not, that is to say,—

timber, charcoal, wood-oil, gum, resin, natural varnish, bark, lac, fibres and roots of sandalwood and rosewood; and

(ii) the following when found in, or brought from, a forest, that is to say,—

(a) trees and leaves, flowers and fruit and all other parts or produce not hereinbefore mentioned, of trees;

(b) plants not being trees (including grass, creepers, reeds and moss) and all parts or produce of such plants; and

(c) silk cocoons, honey and wax;

(d) peat, surface soil, rock and minerals (including lifestone, laterite, mineral oils and all products of mines or quarries);".

3. *Amendment of section 39.*—In section 39 of the principal Act, in the opening paragraph, the words "within the limits of taluks in which Reserved Forests are situate or in taluks adjoining Reserved Forests" shall be omitted.

4. *Repeal and saving.*—(1) The Kerala Forests (Amendment) Ordinance, 1974 (11 of 1974), is hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the said Ordinance shall be deemed to have been done or taken under the principal Act as amended by this Act as if this Act had come into force on the 1st day of August, 1974.

STATEMENT OF OBJECTS AND REASONS

Section 39 of the Kerala Forest Act, 1961, empowers the Government to make rules to regulate the transit of timber and other forest produce within the limits of taluks in which Reserved Forests are situate or in taluks adjoining Reserved Forests. Section 40 of the Act empowers the Government to make rules prescribing the penalties for contravention of the rules made under section 39. The expression "forest produce" as defined in clause (f) of section 2 of the Act includes articles specified therein, when found in or brought from a forest.

2. According to the above provisions, a person engaged in the transit of any of the articles mentioned in the definition of "forest produce" will be liable to be punished for the contravention of the rules made under section 39, only if it is proved that the articles in transit were found in or brought from a forest.

3. It had come to the notice of the Government that trees standing in Reserved Forests and forests vested in the Government under the Kerala Private Forests (Vesting and Assignment) Act, 1971, were being illicitly felled and converted into charcoal (which is one of the articles included in the definition of "forest produce") and transported to distant places by smugglers. Other valuable forest produces were also being smuggled out of forests. When such articles are found outside the forests and prosecution is launched against the persons with whom such articles are found, it of " forest produce". It was therefore considered necessary to brought from a forest, so as to bring them within the meaning of "forest produce"., It was therefore considered necessary to substitute the definition of "forest produce" so as to bring within

its meaning certain articles even when they are not found in or brought from a forest.

4. It was also considered necessary to amend section 39 so as to enable the Government to make rules to regulate the transit of timber and other forest produce anywhere in the State instead of in the taluks in which Reserved Forests are situate and in the taluks adjoining Reserved Forests. In the absence of such an amendment, it is difficult to seize illicit timber and other forest produce when found outside the areas mentioned in section 39.

5. As the above amendments had to be made immediately and as the Legislative Assembly was not in session, the Kerala Forest (Amendment) Ordinance, 1974 was promulgated by the Governor on the 1st August, 1974. The Bill seeks to replace the Ordinance by an Act of the Legislature.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.
